

YOU'RE IN GOOD HANDS

Introducing the ParkSafe program, Park'N Fly's new set of safety measures and procedures.

The health and safety of our customers and employees is important; Park'N Fly has implemented these new protocols and preventative measures in our commitment of creating and maintaining a safe and healthy environment.

Park with confidence, knowing that these new protocols and measures are designed to provide you with peace of mind, as you begin and end your travels. We look forward to welcoming you back.

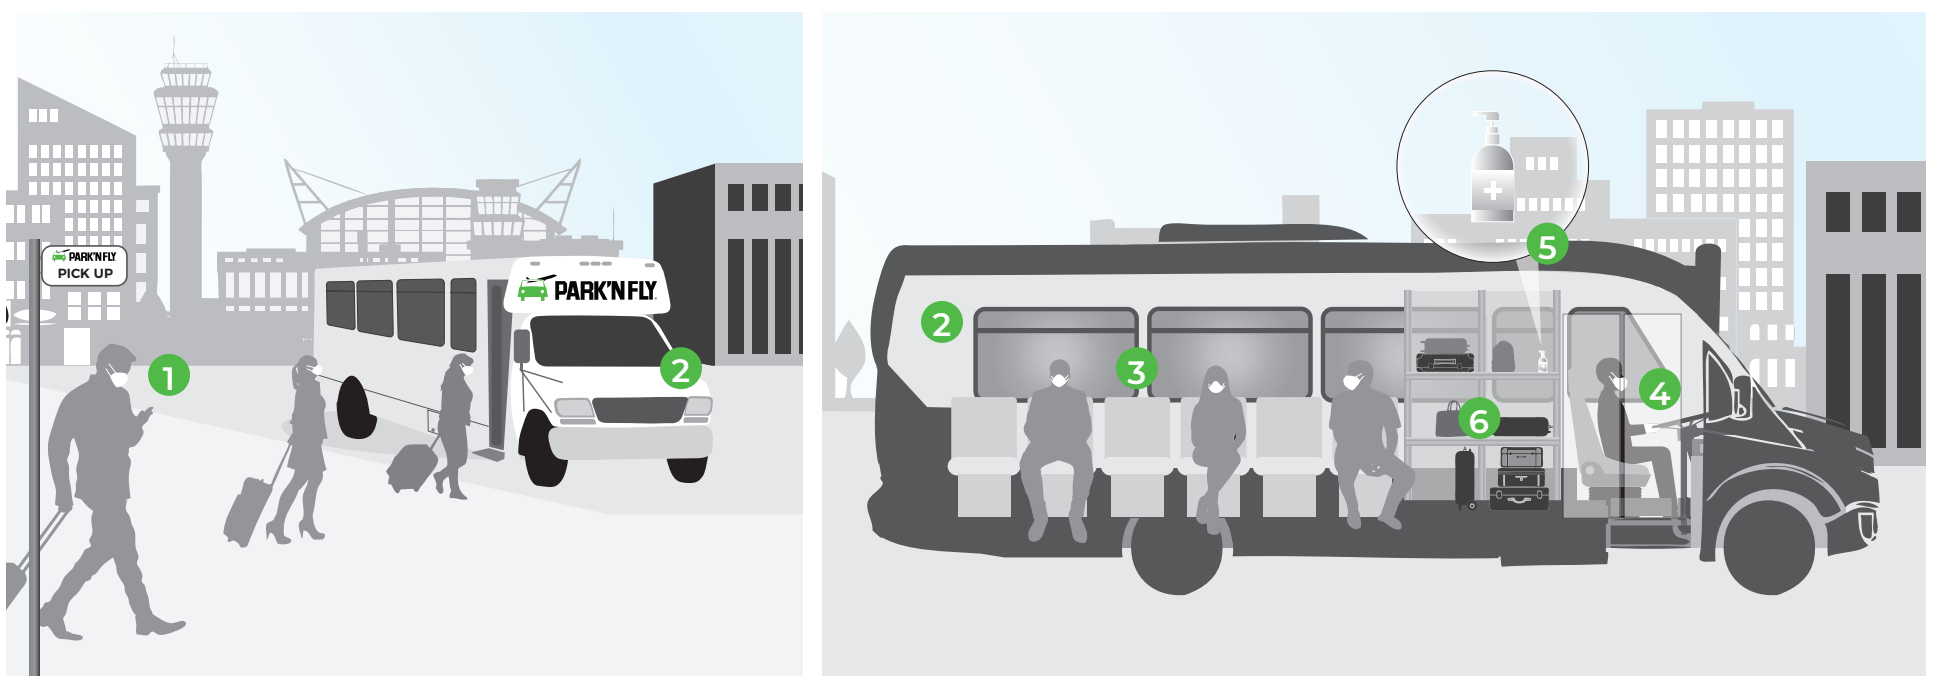

Park'N Fly Express A/B

DROPPING OFF OR PICKING UP YOUR VEHICLE

- 1 For your safety, our check-in kiosks are regularly cleaned and sanitized
- 2 For your safety, social distancing floor markers/direction have been imposed to assist with the physical distancing guidelines at our shelters
- 3 For your protection we have installed plexiglass shields between our customer attendant and you (where applicable)
- 4 For your safety, all self-serve kiosks and payment stations are regularly cleaned and sanitized

GETTING TO AND/FROM TERMINAL

- 1 For everyone's safety, all customers must have a face covering or mask prior to boarding the shuttle bus (customers will be provided with facial mask if not available)
- 2 For your safety, buses are regularly cleaned and sanitized
- 3 For everyone's safety, bus capacity will be limited to 7-9 customers per trip (depending on the Park'N Fly location), in order to ensure safe social distancing protocols are met
- 4 For everyone's safety, our drivers are equipped with face masks and disposable gloves
- 5 For your use, hand sanitizer dispensing units are available on each shuttle bus
- 6 For your protection, luggage assistance services have been suspended

Park 'N Fly Valet

DROPPING OFF OR PICKING UP YOUR VEHICLE – VALET

- 1 For your safety, all car jockeys wear protective face coverings and disposable gloves (disposed of between each vehicle)
- 2 For your protection, your cars keys are sealed in a plastic key carrier, prior to being removed from your vehicle
- 3 For everyone's safety, we recommend the driver registers their vehicle at either the kiosk or customer care counter while your companion(s) wait for you outside
- 4 For your safety all self-serve kiosks including payment stations are regularly cleaned and sanitized
- 5 For your protection we have installed safety plexiglass shields between our customer attendant and you
- 6 For your use, we have installed hand sanitizer units in all common areas
- 7 For your safety, social distancing floor markers and traffic flow barriers will ensure customers adhere to the 6-foot (2-meter) distancing guideline
