

YOU'RE IN GOOD HANDS

Introducing the ParkSafe program, Park'N Fly's new set of safety measures and procedures.

The health and safety of our customers and employees is important; Park'N Fly has implemented these new protocols and preventative measures in our commitment of creating and maintaining a safe and healthy environment.

Park with confidence, knowing that these new protocols and measures are designed to provide you with peace of mind, as you begin and end your travels. We look forward to welcoming you back.

Park'N Fly Self Park

DROPPING OFF OR PICKING UP YOUR VEHICLE

- 1 For your safety, our check-in kiosks are regularly cleaned and sanitized
- 2 For your safety, we'll pick you up at your vehicle
- 3 For your safety, the self-serve kiosks and payment stations are regularly cleaned and sanitized
- 4 For your protection we have installed plexiglass shields between our customer attendant and you (where applicable)

GETTING TO AND/FROM TERMINAL

- 1 For everyone's safety, all customers must have a face covering or mask prior to boarding the shuttle bus (customers will be provided with facial mask if not available)
- 2 For your safety, buses are regularly cleaned and sanitized
- 3 For everyone's safety, bus capacity will be limited to 7-9 customers per trip (depending on the Park'N Fly location), in order to ensure safe social distancing protocols are met
- 4 For everyone's safety, our drivers are equipped with face masks and disposable gloves
- 5 For your use, hand sanitizer dispensing units are available on each shuttle bus
- 6 For your protection, luggage assistance services have been suspended
